LCAT provides students with a free, safe, and reliable shuttle bus service connecting the main campus with the College's athletic fields, downtown Easton, shopping areas (such as the Forks Town Center and area malls), movie theaters, and the primary student parking areas.

LCAT also provides regularly-scheduled transportation between campus and the Lehigh Valley International Airport on designated days. Called the Special shuttle, it's designed to facilitate out-of-town travel plans and is available immediately prior to and at the conclusion of school breaks.

The LCAT shuttles run most days during the academic year and are not available over summer or other school breaks.
