

# CAR BASHING GUIDELINES

Contact the Scheduling Office at 610-330-5643 to reserve a location for the event and arrange for assistance from Facilities Operations (for preparation and clean-up of the locations) and Public Safety (for the delivery and removal of the vehicle and staffing of the event).

## Location:

The entire area under and surrounding the vehicle must be covered by a tarp.

- ☐ The area around the vehicle must be sufficiently cordoned off to prevent debris from striking spectators.

## Vehicle:

Delivery and removal of the vehicle must occur on the same day as the event.

The vehicle used must be stripped of all glass, all fluids, engine, transmission, battery and gas tank.

- ☐ The wheels must be chocked prior to the start of the activity.
- ☐ Graffiti on the vehicle may not contain obscene or sexual language or innuendos.

## Participants:

Participants must sign a waiver, provided by the sponsoring student organization, before participating in the activity.

All participants must wear goggles, gloves and closed toe shoes at all times.

Only a sledgehammer may be used to strike the vehicle.

Participants may not stand on top of any part of the vehicle.

*The sponsoring student organization is responsible  
for ensuring that all guidelines are followed.  
If any guidelines are not followed at any time,  
the event will be shut down immediately.*
