

Accessing Lafayette Student LANta Tickets

1. You will receive an email from:
 - a. Email: noreply@justride.com
 - b. Subject: Welcome to Lafayette College
2. Create a Transit app account using your email that received the email.
3. Once the account is created, go back to the App and click "settings" in top left corner and then scroll down to the accounts section.
4. Select Lanta and click "Create an account". Once you do this someone from Lafayette will be able to issue you a ticket, this will not happen automatically, allow up to 24 hours depending on what time of day you created your Lanta account

5. Once a ticket is issued from your school, you will receive an email from:
 - a. Email: noreply@justride.com
 - b. Subject: Lafayette College has issued a Ticket
6. Open your Transit app
7. Under the Transit fares section in the settings area you will see your pass. Click "Activate"
8. Click "Activate Ticket" from the **TWO** pop-up that appears

9. You will then see your ticket appear as a QR code

10. Anytime you want to ride, you will click "Show" at the bottom of the screen
